

GRACE ICE & WATER SHIELD®

ROOFING UNDERLAYMENT

The Original, Best in Class Roof Underlayment

Best in class protection against wind driven rain and ice dams

Highest quality seal around fasteners

The name contractors trust the most to protect their reputations

Grace Ice & Water Shield® fully-adhered smooth surface roofing underlayment provides best in class roof leak protection. Its proprietary and time tested rubberized asphalt formulation has been proven to form a watertight bond with the roof deck and to seal around fasteners used to attach roof coverings. When it comes to roof protection, insist on the original – Grace Ice & Water Shield® roofing underlayment.

“Grace Ice & Water Shield® is the brand that I have trusted the most over the last 19 years when it comes to roofing underlayments. I rely on its superior ability to protect the most vulnerable roof details from ice dams and wind driven rains.”

— Mark Cahill, President of Cahill Roofing Inc.

Why Grace Ice & Water Shield®?

Highest quality seal around roofing fasteners —

Delivers best in class roof leak protection

Provides confidence that your client's roof won't leak

Best adhesion to the roof deck —

Helps ensure watertight seal

Prevents costly leaks caused by ice dams and wind-driven rain

Forms superior laps —

Provides watertight installation with NO special treatment of the laps

Premium leak protection without additional labor time

Ripcord® – Split Release On Demand —

Makes it easier to waterproof detail areas such as valleys, chimneys, roof to wall transitions

Robust protection of the roof's most vulnerable areas

Longest Performance History —

With over 35 years of performance history, Grace Ice & Water Shield® offers the highest confidence for the life of the roof.
